

PROJECT NORTH STAR

Backhouse Jones Solicitors are engaged to assist a client seeking the acquisition of a logistics and transport business.

Business acquisition criteria

Description of business sought: Logistics, transport by road and warehousing business, including cross-docking operations and general haulage activities.

Preferred location: Northumberland, ideally within a 10-mile radius of NE69 6EE.

Turnover: Up to £20 million.

Operating centre freehold or leasehold: Freehold site preferred, with a minimum of 4 to 5 acres. The site must provide sufficient HGV parking with no restrictions for operator's licence.

Operator's licence authorisation: Up to 50.

Number of employees: Employee numbers are not a determining factor for the acquisition.

Any other information: The purchaser is particularly interested in acquiring a financially challenged business. Businesses being sold solely due to retirement or where operations are being intentionally wound down are less likely to be of interest.
